# FULL SERVICE PLANNING

## Kick-Off Planning & Design Meeting + Budget Process

If what you need is help planning every detail, assistance choosing and booking all your vendors, as well as budget tracking, this package is for you! We'll meet for a 2 hour kick-off planning meeting that covers everything from feel, look, priorities, budget, and more. We'll talk about the substance of the wedding, like how your ceremony will reflect you, how to work-in personal touches from your history with your partner, and talk through how you'll include friends and family to make your day extra special.

After the kick-off meeting I will create a budget that breaks down the overall total into each vendor/category. Throughout the planning process, I will update this document with the actual costs and advise you on all financial matters from finalizing quotes with your vendors to suggesting gratuity amounts. I will send reminders as payment deadlines approach.

## Design Proposal

After the meeting I will work with your inspiration images and fun ideas we talked about and create a customized inspiration board. This is usually about ten pages full of details about the feel and atmosphere, the color palette, floral inspiration, table design, decoration ideas, bridal party looks, and rental options.

Once we confirm the design direction, I will help select and book all vendors and manage email and phone communication. This includes accommodations, alcohol and bar, cake/dessert, catering/staff, musicians/dj/bands, favors and welcome bags, florals/decor, hair and makeup, lighting, officiant, paper goods/signage, photo booth, photographer, rentals, tents, transportation, venue, and videographer, as applicable. If you plan to DIY your wedding flowers, this package includes my assistance with purchasing flowers, providing supplies, and helping you and your family/friends execute your DIYs on wedding week.

All 2025 Full Service bookings now include a FREE head table decoration package. This includes your choice of \$250 value of rental candles, place settings, napkins, etc. for your head table.

# NOTES FOR ALL PLANNING PACKAGES

## Floral Services

I am happy to work with you to provide a quote for any floral arrangements that you need. I offer everything from bouquets and boutonnieres to ceremony decorations and table centerpieces. I also offer DIY floral assistance packages which include planning and purchasing bulk flowers, all the supplies you need to DIY your florals, as well as in-person guidance to help you/your family/your friends create your DIYs.

## Signage Design and Creation

If you need day-of signage like welcome signs, bar signs, directional signs and more, I would love to provide a quote to create them. In our initial meeting, we'll take an inventory of what you need and the look you want and supply you with pricing options for each piece.

## Additional Staff

Depending on the intricacy of your event, I may suggest additional assistants on event day. I will confirm this in advance and a fee of \$150 per additional assistant per event will be added to your remaining balance.

## Event On-Site Hours

If the event-day hours on site for Sonnet Wedding staff exceed those agreed upon in advance, I will suggest adding additional on-site hours for our staff. A fee of \$150 per additional hour per event will be added to your remaining balance. I will always verbally confirm additional hours with the client or designated family member/friend.

## Excluded Services

There are a handful of things my team and I are unable to do: anything that requires a food service/food handlers license, anything that requires TABC training, touching bodily fluids, and moving anything heavier than a folding banquet table. We will discuss this in advance and suggest qualified vendors as needed.

## Travel Fee

Events beyond 30 miles of Lubbock, Texas will incur travel fees. Travel fees will include round-trip mileage for venue walkthroughs, rehearsal, and event day per staff vehicle, and lodging for staff for the night after the rehearsal and after the wedding night. We will discuss and confirm an estimate before booking.

## Next Steps

Ready to move forward? Once you have approved your selection, I will draw up a contract outlining the details of your event services. Our work together can begin once I have received your signed contract and a 50% deposit on services. The remaining balance is due one month prior to your wedding date. Deposit payment information and business address will be listed in the contract.
